**Jesus** said the phrase "the truth will set you free," which is found in the Bible in the Gospel of John, specifically John 8:32. In this passage, he is speaking to his disciples

**We the People of the United States do hereby establish this -  
There will be a Jury trial for everyone - 12 people to look at  
the evidence. We get to pick the jury.  
Just lets make sure the pool is 70+ year olds like us, than  
can sit in court a few years.**

**Jury of our piers 1/2 rich people like you and 1/2 teachers  
like me.**

See the guys who set you free in the 70's can now take the time set on the jury.

I am picking the ones who are nuts from Vietnam  
war.
