Interpretation

These 14 documented mailings demonstrate continued diligence in notifying all municipal, state, and federal authorities of the ongoing misconduct. Each UPS record includes sender name (Michael Gasio), origin address (19227 Freshwater Cr., Huntington Beach CA 92648), and identical shipment timing, proving coordinated same-day submissions. The combined receipts total over \$180 in verified expenditure, all logged in the self-representation binder under “Printing and Mailings.” Each tracking code matches the UPS logs printed 10/18 2025 (see *ups14.pdf* pp. 1–14).
